FRIDAY.....JUNE 27

COIN TALKS.

The defeat of the Free Coinage Bill in the House simply means that the Wall Street lobby purchased enough votes to hamper the legislation in favor of free coinage that must eventually come.

The conspiracy which demonetized silver put millions of dollars into the pockets of the conscienceless scoundrels who engineered the job, and if the fraud can be continued in force another year it will net millions more.

Does anyone for an instant suppose that the men who originally concocted this grand piece of robbery would hesitate to throw the sack into the Lower House to carry their point?

Senator Stewart showed conclusively by the record that silver was demonetized by lying, trickery and fraud, and his exposure of the jugglery by which it was accomplished has never been refuted.

Now, would any man vote to sustain such a piece of brazen fraud and injustice if he were not paid for it?

Two weeks ago a count of noses showed a majority in the House for free coinage, but when the vote came, a number of members had changed their views, and the men who changed after the exposure by Stewart, of the trickery of 1873, must have gotten solid gold coin for their action.

Wall Street could well afford to pay five million dollars to keep silver demonetized. That amount will change a great many Congressmen in one week.

The people have been robbed and beaten by corrupt methods, and they can only right the wrong at the polls.

The party that does not give the people a free coinage plank in 1892 will not be in existence after the election.

Sullivan shed tears as the Court lectured him for being a naughty boy and fighting prize fights. His lawyer said that he had lost his mother not long ago, and the bereavement had hit him hard below the belt. The Court must remember that John L. was human, and to err was human, but too forgive, divine. The Court then fined him \$500, (four percent of his winnings) and John L., after paying the fine, got drunk and otherwise enjoyed himself.

The agreement of the conferees on the Naval Appropriation bill is favorable for the Pacific Coast interest. It will equip Mare Island for steel ship building and prepare the way for a new dock yard, probably at some point on Puget Sound. That is needed to offset the British establishment at Esquimalt. It will also be convenient to great natural facilities for navy yard operations.

If Chief Crowley ever so far forgets himself as to make a vulgar police raid on the California Athletic Club while two gentlemen men are sparring for a medal or a piece of jewelry, he will have to arm his men with axes to cut through the ten solid feet of ice-cold dignity which walls the ring there.—Post.

A GREAT HORSE.—The following from the New York Sportman speaks for itself: "Salvator, the winner, must be considered one of the best racers we have seen in years. He was great at two years old, greater at three, and greatest at four. To jump out and win such a race as this Suburban at his first essay for the year, conquering the grandest field that we have ever known to come together, class and circumstance considered, is to stamp himself not a wonder, as many turf scribes put it, but an excellent colt, first class—which means a great deal, by the way—and better than anything in the country."

A man named Geo. O'Brien got into an empty car at Sacramento while sick, and became too weak to leave. He was found Tuesday in a starving condition, not having had any food for two weeks. It believed he will die.

WHAT ON EARTH—Is the reason people will not, cannot, or do not see any difference in cheap nos truns put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing.—W. H. Chedie Druggist.

COUGH! AND COUGH! AND COUGH!—What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedie, Druggist.

HOW CAN PARENTS—Allow their children to cough and calmly say: "Oh! its only a little cold," and keep giving them cheap medicines, until they are down with lung fever or consumption, when they can be so easily relieved by using BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedie, Druggist.
